March 30, 2024

Dear Members of the Executive Committee,

I hope this message finds you well.

I am writing to further detail our application for the temporary closure of Access Road 3 Avenue during the months of May, June, and July. This information focuses on the specific use of the closed section and our comprehensive approach to this project.

- 1. Engagement with Transportation Department: Since February 26, 2024, we have been actively collaborating with the Transportation Department, ensuring compliance with all guidelines and recommendations.
- 2. Support from Local Businesses and Community: We have received strong support by businesses such as Tru North Marine & Recreation, Top Shelf Sports, Comfort Inn, Premier Best Western, and Discount Liquor, demonstrating their support for the community.
- 3. Requirement for Additional Space Due to Renovations: Our current extensive store renovations make the additional space on 3rd Avenue West essential for our Garden Center operations.
- 4. Parking Lot Capacity and Logistics: our existing parking lot space will also serve as part of our gardening department, which will reduce its capacity by 50%. This limitation, coupled with the need to accommodate retail and automotive customers, as well as the space required for our regular and seasonal delivery trailers delivering during the summer months makes it logistically challenging to expand the Garden Center within our current parking area.
- 5. Planned Use of Closed Section for Gardening Products: In the closed section of Access Road 3 Avenue, we intend to display various gardening products, including different sizes of soil bags suitable for diverse gardening needs.

6. Commitment to Community Through Renovation and continued Garden center Offerings: Our store's renovation and fully stocked Garden Center underline our dedication to providing a better shopping experience and serving the community more effectively.

We trust this detailed outline underscores the thoughtfulness of our planning and the importance of this road closure for our operations. We kindly ask for your consideration of our proposal at the April 8th meeting and hope for a favorable outcome at the April 22nd Council Meeting.

Thank you for considering the additional context of our request. We are available for any further information needed for this request.

Best regards,

Carlos Saavedra
